

SUSHI FEST FUNDRAISER AT OSHIMA SUSHI

What a wonderful evening we had at our fundraiser held at Oshima Sushi! Oshima Sushi did a great job bringing the event together in high style. The food was amazing, the music rocked and their newly expanded bar area, called the Fugu Lounge, was very swank. What a fabulous nighttime destination this is for Natomas!

We raised funds for many important programs for our Natomas students such as Every 15 Minutes, Bring Music Back, a District Wide Science Fair and Donate 2 Educate. Thanks to all of you who gave your support and especially to our sponsors:

MORE FUNDRAISERS AND COMMUNITY EVENTS

We have some big events planned in the Natomas community over the next few months! A fundraiser at **Tuk Tuk Restaurant**, hosted by the Natomas Journal, is coming up on September 5th. This promises to be an exciting event featuring great food AND a fashion show, so stay tuned for more details! We also have a big surprise for the **Natomas Community Festival** on September 20th. Through our partnership with Best Buy we will hold a raffle to win one of the newest crazes in gaming technology...we're keeping it a secret until September! We're wrapping up September with a FREE concert at Natomas High School provided by the **Camellia City Orchestra** on the 28th. This concert kicks off our Bring Music Back program to get music back into the elementary schools!

DONATE TO EDUCATE

We have some new donation requests for local Natomas students and programs on our website. Take a moment to visit our website, read through the proposals and choose the projects and causes that mean the most to YOU to donate to! If you don't see a specific program you'd like to sponsor, you can also make an open donation to the Natomas Schools Foundation itself and rest assured that your monies will be put to good use by funding the many programs we sponsor for Natomas students.

AUGUST MEANS "BACK TO SCHOOL"

Natomas students head back to the classroom this month! That means that our HOSTS program will be in full swing and students will be chosen to participate. Not only is the HOSTS program rewarding and enriching for our students, it is also a VERY fulfilling experience for the volunteer mentors who work with these students. If you can spare just an hour a week at the Natomas school of your choice, you will make an enormous impact on the life of a student and bring joy into your own heart as well. No teaching experience is required and the lesson plans are all mapped out for you. To sign up, just visit our website and download the Mentor Sign Up Form. You'll be SO glad you did!

YOU CAN HELP

There are so many opportunities to help and support our growing Natomas students! We invite you to join us in transforming the community of Natomas into a premiere locale for educational excellence and innovation. For more information about our Foundation and the work that we do, please visit our website!
