Annual Meeting

The Natomas Schools Foundation held its annual meeting on August 28th at the Natomas Unified School District offices. Greg Pruitt, from the Hip Hop Congress and Urban Arts League, came to report the successful roll-out of the after school tutoring program he sponsors at Natomas High School.

In addition, our President, Monty Maxwell, spoke about our accomplishments and goals for the coming year.

We are wrapping up September with a free performance on the 28th by the Camellia City Orchestra. This event marks the kick-off to our “Bring Music Back” program. The Natomas Schools Foundation is purchasing recorders for Natomas third graders to re-introduce music back into our elementary school classrooms.

We are very focused on finding new programs to develop and support to reach out to Natomas students.

Two Rivers Clean-Up Day

On September 6th the Natomas Schools Foundation sponsored a community clean-up day at Two Rivers Elementary. Teachers, students and community residents came out to lend a hand a do a little maintenance and beautification around the campus.

Proud helpers were given custom t-shirts designed and made by our own Natomas High School students with their new equipment on campus! They have started their own student-run business and can make t-shirts for YOUR organization as well! For more information, contact the Nighthawk Nation at (916)641-4960, extension 2209 or e-mail ckuhlman@natomas.k12.ca.us.

Celebrate Natomas

The Natomas Schools Foundation came out to Celebrate Natomas with the rest of the community at large. We created a lot of excitement about our volunteer opportunities for student mentors and after school programs. In addition, we held a raffle for a brand-new Wii gaming system donated by Best Buy. The lucky winner was Stacy Gould. Congratulations, Stacy!

You Can Help

There are so many opportunities to help and support Natomas students! Just this month, Sam's Club presented the Foundation with their annual donation of \$1,000! Thank you!

Remember, donations of time and talent are welcomed as well! We invite you to join us in transforming the community of Natomas into a premiere locale for educational excellence and innovation. For more information about our Foundation and the work that we do, please visit our website!
