

December 2007

As 2007 comes to a close, we have much to be thankful for, it has been a wonderful year for the Natomas Schools Foundation! We have had fabulous support from the community this year thank you! We would also like to thank our financial supports, Natomas Unified School District and our HOST MENTORS! We truly appreciate the time and effort you have dedicated to enriching the lives of our students. We are looking for mentors to assist our students, if you are interested please give us a call and we would be happy to share the program benefits with you. In addition, feel free to visit our website www.natomasfoundation.org

I would personally like to thank all board members and the Foundation's Executive Director, Lisa Rojas, for their efforts and dedication to this growing organization. We have many great things ahead of us, keep up the good work. We wish you and yours Happy Holidays and a great 2008!
